

The Difference

MT WARREN PARK JUNE 2023

Sounds superb

What a treat to have the Beenleigh Orchestra stop by for a performance! Their audience loved it and so the orchestra will return later this year.

From your Service Manager

May started off with a bang with the Beenleigh Orchestra coming to Palm Lake Care Mt Warren Park for an evening performance. Not only did our residents and families love it, but so too did the Beenleigh Orchestra members who said they want to come back and do another performance for us later on in the year! Everyone is looking forward to that.

We celebrated the King's Coronation and held a Mother's Day Morning Tea. We also had ADA Australia aged care advocacy come to present a talk to our residents and staff about the services that they provide. This is a free and confidential service available for all residents who require support.

Caroline Bosnic, Service Manager

Pictured above (clockwise from top left), Marion, Mary, Laurel and Margaret felt the love all around on Mother's Day.

Pictured right: Our wonderful volunteer, Lorraine, who comes and visits us 2-3 times a week and has done so for the past two years! She was nominated for the Volunteer of the Year award at Logan City Council's recent event. We also took a number of our volunteers along to the breakfast event as a thank you for their effort. They are all pictured below.

From the Lifestyle Team

May started off on a high note at Palm Lake Care Mt Warren Park with an evening performance by the Beenleigh community Orchestra. Our residents and their families enjoyed getting dressed up for the evening of classical music followed by a lovely supper.

May bought the Coronation of the King and how exciting was it for the residents to receive a visit from King Charles III himself! On Mother's Day, we acknowledged all our lovely mothers with a concert by our very own crooner Robbie Memphis and a morning tea. Everyone had a lovely time.

We also celebrated how great our volunteers are by taking them to the Logan City Council Volunteer Breakfast. We were very proud to have nominated our beautiful volunteer Lorraine for the Logan City Council Volunteer of the Year award. Lorraine has been volunteering for us two to three days a week for the past two years! Her volunteering is invaluable, and she brings joy to many of our residents. Thank you, Lorraine.
