

# THE Difference

CALOUNDRA MARCH 2023

## The month of love

THERE WAS NO escaping the love that abounded in February as we gathered for the celebration of Valentine's Day. With love-themed tables and a beautiful high tea shared with friends, we were reminded why our aged caring community is so highly coveted.

### Service Manager's note

Lets us welcome the beautiful month of March. It is always nice to begin the month with no mask, so we all can see each other's beautiful smiles. However, your health is important to us so please keep yourself safe and if going to a big community, I still advise you to be cautious about your surroundings and wear a mask.

This month we are planning on opening one more wing upstairs and I will keep you all updated on that. Thank you very much for your proactive support in voting for our Employee of the Month - I will announce the winner of that vote at the next residents' meeting on March 6 and a Food Focus meeting on March 16. Finally, please check in with me if you have any concerns, or else please submit a feedback form to share your thoughts. I hope you all have a fabulous and happy month ahead!

## Lifestyle Team notes

Hello from the Lifestyle Team! In the past few weeks, Gerry and the Hat Tricks had us grooving to their music (pictured below). The five-piece band performed some classic tunes, it was non-stop singing, clapping and dancing. Also, on the topic of fun, there have been fun and games each week at Bingo as well (pictured above and right).

As a special one-off event, Palm Lake Care Caloundra was spreading love and laughter at our Special High Tea, celebrating Valentine's Day, as you would have seen on the front of this newsletter. Also, it was party time with cake, balloons and party hats for Joe's special day. Hip hip hooray to you, Joe (pictured below left)!
