

THE Difference

TOOWOOMBA MAY 2023

Creative flair

Check out the awesome results of our recent “Kreate It” painting workshop! All of our most artistic residents had a wonderful time learning to paint, so we aim to run this program every three months. We also indulged in a glass of wine (and an assortment of sandwiches) to get our creative juices flowing!

Service Manager's note

What a fantastic time of the year April and May is for our community with so many activities we get to enjoy as a group. Celebrating special events like Easter and Anzac Day certainly puts a spotlight on the magnificent job our Lifestyle Team and volunteers provide to the residents. During this time of the year, the purpose and value of community can truly be observed. From the photos in this newsletter as well as the discussions I've had with the residents of our community, it is clear that our community culture is as strong as it's ever been. Thankyou again to our wonderful team for all the effort put into these events - we all look forward to sharing many more in the future. Speaking of sharing, April saw our inaugural Manager's luncheon enjoyed with some of the residents. Thankyou to those residents who accepted the invitation and to the kitchen for putting on such an amazing meal. I look forward to sharing more of these meals with many more residents over the coming months. Keep safe.

Pictured above: Easter was a wonderful celebration filled with happy days and chocolate delights!

Pictured below: Volunteer Recognition Day was a wonderful event that allowed us to show our heartfelt thanks to our volunteer helpers. We gifted them with a little something from our residents and staff, honouring the efforts and time they so generously give. We are so grateful for all they do to support us.
