

Food with friends

Our regular manager's lunch is a lovely way for residents to engage in conversation and get to know each other, while being treated to a delicious meal.

Fine dining

Pictured: At Palm Lake Care Toowoomba, we love to spoil our residents while also giving them some quality time with their likeminded neighbours and our management team. Our regular manager's lunch ticks all those boxes. Most recently, we hosted lunch in our formal dining room and our talented kitchen team whipped up some fancy restaurant-style plates.

Service Manager's note

With spring staring us in the face, now is the time we can genuinely feel thankful that we live in this beautiful city. The flowers are beginning to bloom, the days becoming warmer and the spring feel has begun to influence the team here at Palm Lake Care Toowoomba. Different activities - both internally and externally - have been planned for our residents to ensure everyone gets right into the annual Toowoomba Carnival of Flowers spirit during September. Bus trips to view our town's impressive gardens, together with gardening competitions will ensure everyone has the opportunity to share in the colour of this very floral month, here at Toowoomba. The anticipation of summer is also in the air with the familiar smell of our family sausage sizzles recommencing this month. In the community, talk is also starting about the recommencement of the swimming program, enjoyed at Bailey Henderson last year. We will keep you posted.
