Palm Lake Care Beachmere
Service Manager
Joanne Brown

Happy New Year! Our beautiful Beachmere community has started off 2025 with changes in the leadership team. Service Manager Ram Korla resigned over the summer and I am so excited to announce my appointment as your new Service Manager in 2025. I'm grateful to Caroline Bosnic (Palm Lake Care Bethania's Service Manager) who stepped in when Ram resigned and has been guiding me through my first months here at your beautiful waterfront community. While I'm new in this role, my journey with Palm Lake Care stretches over 12 months. I come from a background in clinical and quality assurance. I am looking forward to this exciting career move and look forward to working with you all in this most important role.

We also have welcomed Sandeep Vaid who is the newly appointed Service Manager Support and has a pretty amazing track record. Sandeep trained under Gordon Ramsay, so I urge you all to have a chat with him about his incredible life experiences in the culinary world, in the lead up to him now embracing the aged care industry with Palm Lake Care as his new life goal. We've also seen Jasdeep Kaur recently appointed Clinical Manager and finally, Chef Manager Neil Galpin (who has worked here since our opening) has also resigned and we welcomed Thorvaldur Bragason - known as 'Toddi'. I invite families along to try a delicious meal, as a guest of your loved one, to taste his culinary delights.

Also, feedback from our residents has led our Beachmere team to revisit and improve the activities calendar. It has been lovely to receive all your feedback about the care and services received. I thank you all for taking the time to share this with us, and please be assured that your feedback is always shared with our amazing team.

Palm Lake Care
Chief Operating Officer,
Patricia Heke

At Palm Lake Care, our purpose is at the heart of everything we do: to build active, engaged and inclusive care communities. It's not just a goal; it's who we are. Each of you contributes to this by sharing your stories, your laughter, and even your occasional grumbles - yes, we hear those too, and they really matter. Our diversity as a community is what makes this such a special place. With so many unique cultures, life experiences and perspectives, every day is a chance to learn something new. It's like having a library of living stories all around us - except instead of borrowing books, we borrow conversations over cups of tea or chats in the garden, over a meal or at a group activity.

Of course, fostering an inclusive community wouldn't be possible without tolerance and respect. It's about recognising that while we may have different traditions, beliefs or footy allegiances (I won't name teams), we all share the same desire to belong, connect and feel valued. So, as we continue into the year, let's embrace what makes each of us unique while creating more opportunities to grow and connect together. Remember, we're not just neighbours - we're a community, thriving together. And if someone offers you pineapple on pizza, give it a try. You never know - it might grow on you!

Animal visits: Your questions answered

We often get asked about our policies around pets coming to visit. As a general rule, animals are very welcome to visit Palm Lake Care as they can provide much appreciated support and enhance our residents' wellbeing, as long as they meet these minimum requirements:

- Animals visiting Palm Lake Care should be healthy and well behaved.
- Animals, other than cats or dogs, must be assessed for personal pet visits, on a case by-case basis.
- Animals that are not permitted onsite include unwell pets or those infested with insects, mites or internal parasites. Also heavily pregnant animals, animals that have just given birth, newborn animals, any animals legislated as restricted or dangerous, and animals subject to special safety precautions are prohibited.

Visits from animals/pets should be booked in advance, with a time and date allocated by our Service Manager or Lifestyle Team Leader. Visits should be conducted within the resident's room or in outside areas. Some additional requirements we also ask for, before an animal visits, include:

- Current vaccination and veterinary health certification.
- Bathe and check animals for fleas, lice, ticks or other parasites within the 24-hours preceding their visit.
- Agree to remain in the areas in our community designated for animal visits/access (for infection and injury control, animal hygiene and animal welfare purposes)
- Toilet the animal prior to entering our community and collect any animal waste.
- Animals are to remain leashed or caged at all times.
- Respect our visiting times and locations.

We encourage you to speak to one of our team members before organising your pet's visit and we can ensure all the requirements are met for a happy visit.

Spreading the Christmas cheer

Pictured this page: Christmas was celebrated in the happiest way possible! In the lead up, our residents enjoyed a big morning tea with family and friends invited, and our team also had a party to celebrate the festive season. On Christmas Eve, we had Tristan James stop by and preform his Elvis tribute show. He sang Elvis songs and Christmas carols, which wasso lovely. On Christmas Day, Santa stopped by - of course! - and visited all the good boys and girls, giving out presents and good cheer. The main dining room was dressed up for Christmas lunch, for everyone to share. The residents feedback was all very positive and they especially enjoyed Santa's visit.

Making the most of life in aged care

Living in an aged care community offers unique opportunities to enhance your health and wellbeing while enjoying a vibrant and supportive environment.

Here are some tips to help you make the most of everything around you in our Palm Lake Care communities:

1. Stay active: Take advantage of the activities and facilities available. Whether it's joining a gentle exercise class, gardening in the outdoor spaces, or participating in a walking group, staying active is key to maintaining strength and mobility. Movement, no matter how small, keeps your body and mind sharp.

2. Engage socially: Being part of a community means you're never alone. Make the effort to connect with others — whether it's sharing stories over morning tea, playing a board game, or attending a group activity. Building relationships not only creates joy but also reduces feelings of loneliness.

3. Nourish your body: Enjoy the nutritious and delicious meals provided for you and make sure to stay hydrated throughout the day. If you have dietary preferences or needs, share them with your local team — they're here to ensure you're well cared for.

4. Participate in activities: From trivia nights and art classes to movie screenings and musical performances, there's always something happening in your Palm Lake Care community. Trying new things not only keeps life interesting but can uncover hidden talents or spark new passions that you may not have even realised existed!

5. Prioritise mental wellness: Find and use the quiet spaces in your Palm Lake Care community to relax, or engage in activities that bring you peace, like reading, meditating or enjoying the garden. If you ever feel overwhelmed, don't hesitate to reach out — support is always available.

6. Personalise your space: Make your room feel like home by adding personal touches like cherished photos, your favourite blanket, or even a special piece of furniture from your previous family home. A familiar environment can enhance your comfort and sense of belonging.

7. Communicate your needs: Your care team is here to support you, so let them know what you need to feel happy and healthy. Whether it's a new activity suggestion to add to the Lifestyle program, adjusting your care plan, or simply having a chat, our team members are always ready to listen.

Remember, an aged care community isn't just a place to live — it's a place to thrive and this is especially the case at Palm Lake Care. By embracing the opportunities around you and staying engaged, you can enjoy a fulfilling and meaningful life surrounded by people who authentically care for you. Your Palm Lake Care team is here to support you every step of the way — reach out anytime!

Here, we are united

The Central Support team

It's no secret that people are at the heart of what we do here at Palm Lake Care so it should not come as a surprise that we take a lot of time and put a lot of effort into recruiting just the right people for our company's key roles. We're delighted to introduce to you one of the newest faces in our Central Support Office's team, Katie Cooley, who is our new Operations Manager.

With more than 25 years' experience in the aged care sector, Katie Cooley has dedicated her career to supporting aged care communities right across Australia.

Her journey began with the provision of pharmacy services and medication management solutions before transitioning into operational roles with aged care providers. Having worked across both not-for-profit and profitable organisations, Katie brings a deep understanding of the sector's challenges and opportunities while also bringing experience and passion to our seven Palm Lake Care aged caring communities.

"I'm deeply passionate about making a real difference in the lives of older Australians — ensuring they receive the dignity, respect and high-quality care they deserve," Katie says.

"Every resident has a story that matters, and I am committed to working alongside our teams to create an environment where they feel valued, supported and at home."

***Pictured above:** Palm Lake Care's new Operations Manager, Katie Cooley.*

Katie says she is excited to join Palm Lake Care and collaborate with teams that share a commitment to excellence in care and resident experience.

She says our organisation's dedication to quality care and continuous improvement truly inspires her.

During her initial weeks at Palm Lake Care, Katie's focus will be on meeting our teams to understand the unique strengths of each community and service offering, while working together to support our Service Managers in enhancing workforce capability to ensure the best care for our residents.

"I have to thank everyone for such a warm welcome so far," Katie smiles. "I look forward to visiting our seven communities, getting to know everyone and also working together with the teams to make a meaningful impact."

"An exciting journey lies ahead at Palm Lake Care, and I'm thrilled to be part of it."

Palm Lake Care spans seven individual communities across South-East Queensland. Given the thousands of residents and team members who call Palm Lake Care their own, there's always so much going on! Deception Bay

As we journey through life, friendships and family love grow more important.

Just like sunshine on a cloudy day, warm relationships can lift spirits. Regular chats, laughter and hugs can chase away the any loneliness and fill hearts with joy. It's why, at Deception Bay, the team fills their Lifestyle calendar with as many opportunities as possible for neighbourhood friends to gather and family to stop by. The Christmas/New Year period gave them plenty of great opportunities to gather, and they've continued that spirit in earnest already in 2025 with their recent Australia Day festivities (pictured).

We love it when family members stop by across all seven of our communities, so make sure you set up regular opportunities to foster connections with your loved ones. And if you can't physically catch up, you're always as close as a phone/video call. When families and caregivers unite to nurture these relationships, they create a vibrant tapestry of love, laughter and belonging for seniors. By believing in the magic of connection and celebrating the simple moments, we ensure that our treasured elders enjoy every colourful day to the fullest.

Mt Warren Park

Who says you can't make a difference in your local community when you live in aged care?

In mid-January, the Mt Warren Park Lifestyle Team packed up a busload of eager residents and off they headed to Bethania Community Centre to volunteer some time to an organisation called Kids4Kids Foundation. This charitable organisation was started in 2017 by a (then) 9-year-old local boy name Samuel, who saw a need to help fellow classmates who were struggling through domestic violence situations and had none of the 'tools' they needed for an education. The group packs donated essential stationery items into school bags for these disadvantaged children.

The 600 back-to-school packs that our residents helped assemble in January were given to local school chaplains for distribution to those school families in need. Our residents loved helping out with the packing of thousands of stationery items and it was certainly an eye-opener for them to see how many people in our community need assistance with these basic essentials.

"My residents are passionate about helping the disadvantaged in our local community," Lifestyle Team leader Leona says. "When I told them about this particular charity, they jumped at the chance to volunteer. The residents love that they are still able to contribute to their local community in ways like this."

Leona says Kids4Kids was incredibly happy to have our residents along to help. The group is looking forward to going back and helping Kids4Kids again later this year.

Bargara

The Palm Lake Care Bargara Lifestyle Team is always presenting vibrant entertainers and engaging activities to their residents and these past few months have been no exception.

We especially love it when our Palm Lake Resort 'cousins' stop by. Palm Lake Resort Bargara's "Palm Lake Singers" is a choir formed by the resort's homeowners. The choir's male members have formed a separate choir group called "The Barnacles". Pictured below, The Barnacles stopped by to see their Palm Lake Care Bargara friends recently to sing sea shanties - and they were very good! Bargara also hosted a (literally) vibrant 1960s/70s day that took the whole community back in time! Among the day's activities, the residents tie-dyed some t-shirts and enjoyed an afternoon 'hippy party'. What fun!

Toowoomba

Tristan James, aka Elvis, is well known to most of our Palm Lake Care communities.

As 'Elvis', Tristan has visited most of our sites over the years, bringing his impressive and engaging musical act to life for the benefit of our residents. You see, music plays a powerful role in helping the elderly recall key memories, especially for those experiencing cognitive decline or dementia. The brain's connection to music is deeply emotional and long-lasting, often preserving musical memories even when other recollections fade. Familiar songs can trigger vivid memories, emotions and past experiences, helping our residents reconnect with their personal histories. For those in aged care or living with Alzheimer's, music therapy has been shown to improve mood, reduce agitation and enhance communication. Songs from our residents' youth (like those that Tristan sings) can bring comfort and spark conversations. Music also fosters social interaction, creating a sense of belonging and joy — as is definitely the case every time Elvis has entered the (Palm Lake Care) building!

Bethania

Palm Lake Care Bethania offers a wonderful opportunity for the gentlemen of their community to come together for some important male bonding time.

Male-only social groups for senior men provide essential emotional, mental and physical health benefits. As men age, they may struggle with social isolation due to retirement, loss of friends or changes in family dynamics. Gathering in male-only spaces allows them to bond over shared experiences, hobbies and interests in a relaxed and comfortable setting. This was especially the case during the Bethania boys' recent bus trip to Yatala Pies. According to the Team members who went along for the ride, the bus was full of laughter, there were many car stories told and everyone enjoyed listening to the trucks roll down the M1. Groups like this offer a sense of camaraderie to reduce any loneliness. Additionally, these gatherings allow men to support each other, share advice and find purpose, ultimately enhancing their quality of life as they age.

Caloundra

The Palm Lake Care Caloundra team knows just how important it is for our dedicated team members to engage in a fun and social way with our residents, as well as in their normal professional manner.

So, when Australia Day rolled around this year, there was no doubting that our team members would be keen to battle it out with residents (and each other!) in some very fun, Aussie-themed games. The thong-throwing championship was a hotly contested event, as you can see by the photos above. The team also joined their residents for a delicious alfresco barbecue on the day, giving them a chance to chat socially with our residents while they shared a meal. Australia Day provided everyone at Palm Lake Care Caloundra with the perfect excuse to come together for fun, while celebrating the incredible working relationships we have across our care community.

We love your feedback!

We highly value all types of resident and family feedback - it enables us to continually improve our already high standards. There are so many ways you can provide feedback but the easiest way is to complete a feedback form. Blank forms are available from our Reception desk and, once complete, can be submitted in the Feedback Box, also found at Reception. Our Service Managers are also available to chat at any time. Their door is always open.

What should I do in an emergency?

FIRE: Spotted a fire? Let a staff member know and press the alarm, if I can.

EXITS: I need to remember my closest way out. Leave things behind and get out quickly.

CRISIS: If something else happens, I'll stay calm. I'll help my neighbours if it's safe to.

PREPARE: I'll remind myself of safe places and the best way to leave, if needed.

Note to self: If I'm unsure, I'll ask a staff member.

Volunteers are the best people

We are always on the lookout for volunteers to stop by and support our community. You might like to help our Lifestyle Team facilitate their regular group activities? Or you might like to spend some one-on-one time with our lovely residents? Many love to share a cuppa and a chat! Maybe you have a specific skill you can share? If you'd like to volunteer in our community, and enjoy the reward that comes with it, simply contact our team via the details on Page 2. You can also go to our website and click on "Join us".
