# Here I feel respected

At Palm Lake Care, we understand that everyone is unique and has different needs. Our surveys reveal our community agreed they are given the privacy and dignity they deserve, feel respected and are free to be themselves. Our residents are involved in the decision making and recognise our care team as sensitive to their needs.

## Here we provide care solutions

Our unique Care Solutions Team provides a free service that helps give families clarity during an often confusing time, helping to tailor fees and financial arrangements to create the right solution for individual circumstances.
